Weincloud

Dashboard

HMI and Device Monitoring Dashboard

Key Features

Versatile Widget Features
Rich widgets for building dashboards that match real-world applications

Detailed User Permission
Multi-level access control with read-only protection to prevent unintentional changes

Unified Data Overview
Data from multiple sources can be aggregated on a single screen

Shareable Web Dashboard
Instant access to complete data via shared links, with or without login

Flexible Canvas Editor
Freely arrange, resize, and layer widgets for flexible layout design

Optimized for Any Device
Device-specific canvas sizing ensures optimal display without scaling issues

Licensing

Use Dashboard activation cards, free trial or EasyAccess 2.0 activation cards.
